## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Attorney General, Office of State Courts Administrator, and Department of Corrections** stated this proposal would not fiscally impact their agencies.

Officials from the **Greene County Sheriff's Office, St. Louis County Police Department, and Jackson County Department of Corrections** did not respond to our request for fiscal impact.

**Oversight** assumes that this proposal may result in some additional transportation costs for transporting the juveniles to appropriate facilities, if there are no adequate facilities in the judicial circuit where the juvenile is being tried as an adult. These local governments would be responsible for these costs. These transportation costs cannot be determined, but are not expected to exceed \$100,000 annually.
